Session 2014-15

To improve the quality of teaching and learning process feedback is taken from the stake holders. The feedback is received from all the teachers on three point rating scale 1-3 i.e. 1. Strongly Agree 2. Agree and 3. Disagree. There were ten closed ended questions in the feedback questionnaire. Most of the teachers found syllabus taught by them is good blend of theory and practical. Teachers agreed with that the college has given them full freedom to adopt new techniques in teaching and examinations are conducted well in time. Teachers suggested for the improvement of number of books in library. Teachers agreed that Environment in the college is conducive to teaching and research process and the college provides adequate opportunity to faculty members for upgrading their knowledge and skills. They were satisfied with students engagements in class rooms and the infrastructure of college. Teachers found grievance redressal effective and non discriminatory.
